**HOW THE REHEARSAL SCHEDULE WORKS:** If you have been cast in a scene or are the assistant director for a scene, you need to attend all the rehearsals scheduled on the following page for that scene. If you have been selected to be the costumer or props mistress for a specific scene, you do NOT need to attend the rehearsals for that scene; your work will be done on Wednesdays. If you have been given a job on the "additional production team members list", your work will either be done at home on your own time or during rehearsals for which you are already scheduled. If you have any questions regarding this, please contact Lori (801.221.7761) ASAP.
